WEB DESCRIPTION

Silicone snap case for iPhone 5 and 5s. This cover has been designed to amplify the sound of your iPhone 5 and 5s without requiring extra energy. The material is very thick and soft to the touch, protecting your iPhone from bumps, scratches and dust. The unique design of the back has a double function: it channels and amplifies the sound from your iPhone 5 or 5s and it comfortably ranges the headphones. Thanks to its peculiar design, Oblò also becomes a horizontal or vertical stand to enjoy videos and music on your iPhone 5 and 5s, on the beach, at the park or everywhere you wish.
